

## NOTICE OF REQUIREMENT FOR RELEASE / PRIVACY FORM

The Department of Natural Resources and its representatives must obtain the prior, informed consent of a person who it wishes to photograph, voice-record or video-record for subsequent use by the Department in its publishing, publicity, and promotional activities in various potential media (paper, electronic, television, and public video-sharing sites such as NRCan's YouTube site). The Department must therefore ensure that a copyright and privacy release authorization (below) is completed by the individual.

### COPYRIGHT AND PRIVACY RELEASE

I, \_\_\_\_\_, of the City of \_\_\_\_\_, do hereby authorize the Department of Natural Resources and its representatives to use my photograph, voice recording or video recording in all forms and media (including paper, electronic, multi-media, online video sharing sites such as NRCan's YouTube site, and television) and in all reasonable manners, for publishing, publicity, and promotional purposes. I also authorize and give my consent for the use of my name, and release the Department of Natural Resources from any claims, rights of action or compensation arising or related to the above-mentioned uses of the photograph(s), voice recording or video recording.

The above consent is restricted to still images, video footage and voice recording captured on \_\_\_\_\_ (date: month / day / year)
